Volkswagen, september 2003, 350 pax.

UNFOLDING TYPE

Medieval Evening Between Sky and Sea

*Reception of the conventioners
2005*

Reception at the village

Reception at the bottom of the village from 19h30 to 20h30. Welcome of the guests by our hostesses in medieval dress.

Delivery of a personal explanatory leaflet including a city map with personified logo of the congress (indicating of the different spots of interest, sites of buffets...)

Welcoming animation at the bottom of the village: waders, troubadours singing, juggling...

Animation along the way and at the very top in the exotic garden: Knights, mercenaries train to the drill with clash and cries, music, buffoonery...

Show during the appetizer on the church' square: dances, magic and juggling .

Directing towards the Oppidum located between the sky and the sea in the upper cornice. Dominating the Mediterranean sea, the Oppidum is a beautiful place for congresses with animations and a good many people.

Evening at the Oppidum

The buffets are scattered under a big top
Buffets haut de gamme :

The conception of the buffets, "provençal" theme, is made by the famous cooker of the different partners and the manufacture is realised by *La Toque d'Azur*, trader with CEE agreement with experience about the important congress. Possibility of table service.

Revolving animations around the tables: medieval and Renaissance dances, buffoons, juggling and music, sword fights, duels.

Possibility of medieval and fantastic animations, very in vogue: fantastic creature, elf, magus...

The hostesses stay at the conventioner's layout for help and advise.

Final . Revive the magic of the Middle Aged : fire-eater, fights, dances, magic and juggling with a public participation. Renaissance dance.

Loading at the end of the evening.
